1. INTRODUCTION

Good corporate governance at Narrandera Shire Council (“Council”) ensures and promotes effective and efficient delivery of services to the community, underpinned by honesty, integrity and transparency.

The Audit, Risk and Improvement Committee (“Committee”) has a key role in the governance framework of Council by providing Council with independent oversight, objective assurance and monitoring of Council’s audit processes, internal controls, external reporting, risk management activities, compliance with Council’s policies and procedures, and performance improvement activities.

This Charter is based on the guidelines issued by the Office of Local Government (OLG) in accordance with s.23A of the Local Government Act 1993 (the Act). The Charter is also aligned with best practice, intended to add value and drive effective local government; through openness, transparency and accountability. The Committee assists Council to deliver on its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

2. COMMITTEE OBJECTIVES

The objective of the Committee is to provide independent assurance and assistance to the Council on risk management, control, governance, internal audits, organisational performance and external accountability responsibilities.

The Committee’s objectives are supported by obligations under s428A of the Act, for keeping under review the following aspects of the Council’s operations:

- compliance,
- risk management,
- fraud control,
- financial management,
- governance,
- implementation of the strategic plan, delivery program and strategies,
- service reviews,
- collection of performance measurement data by the council, and
- any other matters prescribed by the regulations.

Under the Act the Committee is also to provide information to the Council for the purpose of improving the Council’s performance of its functions.

3. AUTHORITY

The Committee is established in accordance with Council’s authority granted by s. 355(d) of the Act. The Committee has no executive powers, except those expressly provided by the Council. In carrying out its responsibilities, the Committee must at all times recognise that primary responsibility for management of Council rests with the Council and the General Manager as defined by the Act.

The Council authorises the Committee as a whole (but not individual members of the Committee) within the scope of its role and responsibilities, to:

- Obtain any information it needs from any employee or external party (subject to their legal obligations to protect information).
- Discuss any matters with the internal or external auditor and/or other external parties (subject to confidentiality considerations).
- Request the attendance of any employee at Committee meetings.
- Request – via the General Manager – any external legal or other professional advice considered necessary to meet its responsibilities.

This Charter will be reviewed and adopted at least once by each term of Council at an open meeting of Council.

4. COMPOSITION AND TENURE

The alternate Councillor member will have the same voting rights as the Councillor member being replaced.

Any such nominations will be received and reviewed by a panel comprising an existing or outgoing independent Committee member, the Mayor and the General Manager who will prepare a report for Council's consideration.

The recruitment of those members of the Committee is to be based on merit, and it is important that the selection process used is transparent and accountable. Committee members must decline any request to act as referee to any applicants for vacant positions on the Committee.

If and only if any special circumstances exist especially in respect of the collective skills and knowledge of the Committee, Narrandera Council may consider and by a resolution vary the above composition of Committee membership.

If for any reason a vacancy in the Committee membership occurs, the position(s) shall be filled in accordance with this Charter.
