Introduction to **the Operational Plan**

ABOUT THIS DOCUMENT

The Operational Plan is essentially Council's action plan for achieving the priorities of the community originating from the Community Strategic Plan titled 'Our Narrandera Shire 2034'.

An Operational Plan is prepared each year and adopted identifying the activities that Council will conduct to achieve the commitment of the Delivery Program.

Like the Community Strategic Plan, also the Delivery Program this plan is divided into the 5 strategic themes with each theme further divided into strategies, actions, performance targets, measures, who the responsible officer will be and a budget reference number.

The plan has a one year horizon that aligns with the Long Term Financial Plan.

Message from The Mayor

This plan forms part of the Integrated Planning and Reporting cycle of Council and has been developed using feedback from our community members, also the new Council elected in December 2021.

The Councillors and I have listened to the community, and we believe that the Community Strategic Plan titled 'Our Narrandera Shire 2034' and the supporting plans reflect what is important to the community and how Council will work toward achieving outcomes – not all of the actions can be achieved by Council alone, but Council has identified potential partners who may be able to assist. I encourage all community members to read the Community Strategic Plan when you have the opportunity to do so.

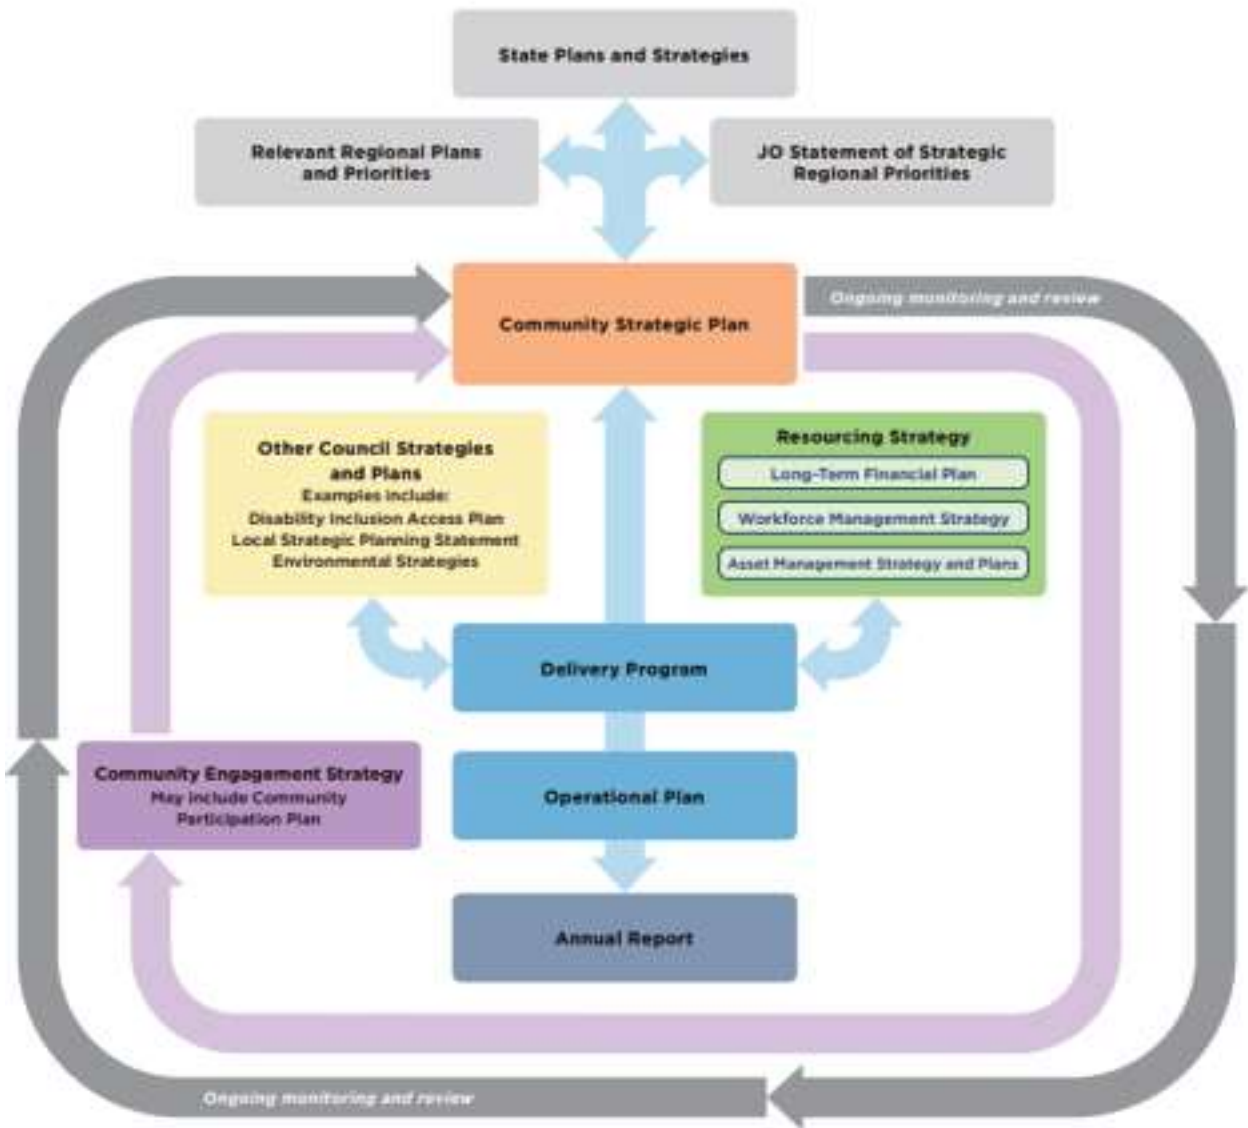

On behalf of Council, I thank you for your participation in developing the Community Strategic Plan called 'Our Narrandera Shire 2034' and its supporting documents.

Councillor Neville Kschenka, Mayor

WHAT IS INTEGRATED PLANNING AND REPORTING?

In September 2021 the NSW Office of Local Government released new Integrated Planning and Reporting guidelines, the framework for which is provided below. The Delivery Program supports the Community Strategic Plan and has direct linkage to the Resourcing Strategy of Council also other Council strategies and plans.
